## OLDER MICHIGANIANS DAY – MAY 15, 2019

Visit [www.OlderMichiganiansDay.com](http://www.OlderMichiganiansDay.com)

### **What is Older Michiganians Day (OMD) and who started it?**

OMD was created by the Area Agencies on Aging Association with its Aging Network Partners serving on the Steering Committee. It is an annual event drawing over 1,000 advocates from across the state, united in their passion for aging issues. It provides an opportunity to discuss platform issues with Legislators, and a time to celebrate older adults and their achievements. The OMD platform and other information about the event can be found at [www.OlderMichiganiansDay.com](http://www.OlderMichiganiansDay.com).

### **When and where is OMD?**

Wednesday, May 15, 2019– 10:30 a.m. to 2:00 p.m.  
East Lawn, State Capitol, 100 N. Capitol Ave., Lansing, MI 48933

### **What activities are planned?**

- Most of the time is devoted to face-to-face contact with Legislators and their aides to discuss OMD Platform issues.
- Governor Gretchen Whitmer and Legislative Leaders from both parties are invited to respond in-person to the OMD Platform.
- The prestigious Senior Citizen of the Year Award will be given to a senior volunteer who has helped others and made a difference in her/his community.

### **What are some of this year's hot-button Platform issues?**

- Rebalance Medicaid Long Term Care
- Support the Direct Care Workforce
- Support AASA In-Home Services
- Promote a Dementia Capable Michigan

Copies of the 2019 Platform are available from Area Agencies on Aging and other members of the Steering Committee. It is also posted on [www.oldermichiganiansday.com](http://www.oldermichiganiansday.com).

### **Are event tickets required? How do I get one?**

A ticket is not required to attend the event but is necessary to receive a box lunch. Vegetarian and gluten-free lunches are available. Contact your Area Agency on Aging or Steering Committee member for tickets. You may also bring your lunch, or go to a nearby restaurant, many within a two to three block walk.

### **What if I can't attend but would like to advocate for the Platform?**

Advocates who cannot attend on May 15<sup>th</sup> are encouraged to call the offices of their State Representative and State Senator to voice support for the OMD Platform.

### **Where do I park my car or bus?**

**Cars:** The closest parking is the Townsend Parking Structure located at 221 Townsend Avenue. The South Capitol Parking Ramp is located two blocks away from the Capitol at 300 S. Capitol Avenue, and the North Capitol Parking Ramp (floors 2-5) at 316 N. Capitol Ave. Metered parking may be available around the Capitol as well.

**Buses and vans:** Buses should drop off at the front of the building on Capitol Avenue and then park at the State Historical Museum on the corner of Kalamazoo and Butler. **DO NOT PARK on Capitol Avenue in front of the capitol.**

### **How should I dress for the day?**

Dress comfortably and warmly in accordance with predicted temperatures. Wear flat shoes, as some walking will be necessary on both cement and grass.

### **What if it is cold or it rains?**

The good news!

If temperatures are warm and only a slight chance of rain with no wind or lightning, the event will go on! If rain is predicted, bring an umbrella and raincoat.

The bad news!

The event will be cancelled if there are cold temperatures, wind, or storms. Call the Area Agency on Aging IB Weather Closure Line at (248) 262-1288 or visit [www.OlderMichiganiansDay.com](http://www.OlderMichiganiansDay.com) for information about a weather cancellation.

### **Should I bring a chair?**

No, there will be lots of chairs available.

### **Are restrooms available?**

Yes. There are accessible restrooms in the State Capitol building, ground floor – a short distance from the east lawn where the event takes place. Porta potties will also be onsite.

### **Where can I get more information on this event?**

You are encouraged to visit the OMD website at [www.OlderMichiganiansDay.com](http://www.OlderMichiganiansDay.com) for an even greater sense of what to expect from this experience. There you will find information on the 2019 event, along with picture and video galleries of past years' events.
